

## Carstairs Team Wins Legion Ball Tournament

While the crowd was not as large as anticipated, due no doubt to the inclement weather, the baseball tournament held Wednesday afternoon, June 22nd, was a successful event and the Didsbury branch of the Canadian Legion made a few dollars for the Memorial Community Center.

The first game in the tournament was played between Elton and Carstairs, with the latter taking the honors. In the second game Carstairs defeated Didsbury and in the finals Carstairs defeated Carstairs. First prize of \$100 thereon, went to Carstairs, and the second prize of \$50 to Carstairs.

During the afternoon two refreshment booths were operated on the grounds, and in the evening, following completion of the ball game, the Didsbury detachment of the King's Own Regiment (14AR) put on a display with the two Sherman tanks and firework.

In the evening a dance was held in the Didsbury Memorial Arena where a dance floor has been erected for the summer months.

## Fallen Timber Pupils Tour Calgary Firms

On Friday, June 17, the Fallen Timber school children and several parents were taken to Calgary on an educational tour by Mr. Ray McMullen, Mrs. J. Howison, Mr. and Mrs. C.B. Moore and Mrs. J.H. Cooper. First the children were taken on a brief tour of the city and then were taken to the Palace Bakery and Model Dairy, where they were given free riding on the escalators and elevators in the Hudson Bay Company store. A trip to St. George's Island followed, where great interest was shown in all the animals. Lunch was then enjoyed at the home of Mrs. C.B. Moore who supplied hot drinks.

Following lunch the children toured Burns and Co. plant (where treats were also given) and the fish hatchery. A trip to radio station CFCN was then enjoyed and here the group sang "Billy Boy" and Miss Delores Hayes rendered "Now is the Hour."

The group returned to the home of Mrs. C.B. Moore, where the hostess served hot soup which really hit the spot after such a long, cool day. All arrived home safely, tired, but happy.

A hearty "thank you" is extended by the children and the parents to Mr. and Mrs. C.B. Moore for their kindness and hospitality, to the drivers of the cars, and to the Busy Bees, who financed the trip.

## RUGBY W.A. MEETING

The June meeting of the Rugby W.A. was held at the home of Mrs. B. Smith, Rev. Mueson was in charge of the devotional and spoke on "Anglican Missions in India."

The next meeting will be held on July 21 at the home of Mrs. Bernard of Elton.

It was decided to have a tea and home cooking sale on August 10. Watch for further particulars about the tea.

## SUCH WAS LIFE

When the Peace River country was still served with a bi-weekly train service it was scheduled to leave Dawson Creek at night. There was no all night restaurant service and so you had to arrange by appointment for a breakfast or lunch. On one occasion Bob Alloway, having been on a livestock inspection tour, ordered his breakfast at a restaurant. He had chicken soup and ham and eggs. After eating his soup and waiting for the balance of his order he was shifting a bone about in the soup bowl. Another diner at the same table noticed the familiar shape of the bone and said, "Let me see that bone you are playing with." The request was granted. "Sure enough," said the traveller, "that's the same bone I had on my last trip four weeks ago. Here is my mark I cut it on."

PIONEER CITIZEN

## ELECTED IN RED DEER RIDING

FREDERICK D. SHAW, M.P.

In the federal constituency of Red Deer, F.D. Shaw, Social Credit candidate, was returned as representative for this riding with a large majority, and while the result of the individual polls has not been received, the total vote from 170 of the 180 polls is as follows:

F. D. Shaw, S.C.	10,111
H. L. Taggart, P.C.	3,593
A.B. McGormann, Liberal	3,518
C. M. Ironsides, C.C.F.	1,648

## DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. Lester Good on Wednesday, June 22, a girl.  
To Mr. and Mrs. Walter McCoy on Wednesday, June 22, a girl.  
To Mr. and Mrs. A. Blois on Friday, June 24, a girl.  
To Mr. and Mrs. John Penner on Monday, June 27, a boy.

## Westcott Residents Plan Big Picnic

The Westcott skating rink committee will hold a picnic jointly with the Westcott school children on Wednesday afternoon, July 6 at the Harry Levagood ball diamond. The usual picnic entertainment will take place, starting at 1 p.m. with ball games, etc. The ladies are asked to please bring picnic food which will be sold with ice cream, coffee, buns, candy and soft drinks at the booth on the grounds. The proceeds will go to the Westcott skating rink. Please come out and give this worthy cause your full support. Everybody welcome.

We are glad to hear that Mrs. Bob Dubois is improving but is still in hospital at Didsbury.

The Jack Robertson family left last Wednesday for a holiday in the United States.

Mr. and Mrs. H. Ireland of Calgary were recent visitors at the Herbert Goetjen home.

We are pleased to hear that Shirley Kenschuh is home from hospital after a siege of pneumonia.

Mr. Herbert Goetjen received a telegram on Monday evening last telling him of the passing of his uncle, Carl Cohrs, at Chapeau, Ont. Mr. Cohrs was at one time a resident of this vicinity and made frequent trips to visit relatives and friends here.

Congratulations to the newlyweds, Mr. and Mrs. Burr Turgle.

The best of luck to our Grade IX pupils at Westcott school, Elaine Goetjen and Clara Schneidmiller, who are both busy writing exams.

Miss Margaret English of Calgary is visiting with her aunt, Mrs. Allen Kenschuh.

Some of us were a little confused on Monday about where to go to vote. Previously these south of the Westcott road voted at the Jackson school. This year it was changed to the Garfield store and we are told many made the trip plowing mud to the Jackson school to find they had gone to the wrong place.

This community received a good soaking rain over the week end and the crop picture has taken a much brighter outlook. Yields are not expected to be high because of the prolonged drought. However, the next few weeks will tell the tale. The early snow wheat is heading out but is very short, and the rain will really benefit it to fill and stretch taller. All in all we're very happy about the good supply of moisture.

Marjorie Goetjen, Jean Dageforde, Margaret Robertson and Donald Robertson are all already enjoying the holiday. Deloye Goetjen and Dorcen Rennie are still writing Grade XII. Best of luck to you all.

## Heavy Rains Give District Prospect of Grain, Feed Crops

Extensive rains fell over the whole district during the past week and moisture conditions are good for the first time in many months, with prospects now for fair yields and at least feed in the drier areas.

Showery weather of two weeks' duration gave some areas, particularly west of town, considerable moisture, but last Friday all parts of the district had heavy rains, and again on Saturday night and Sunday morning more moisture fell, bringing hopes to some farmers of at least getting a partial crop.

While all grain and grass crops are later than usual for this time of year those to the west of town and about five miles east seem to be making ideal growth with fair to good moisture conditions. East of this point the spring has been unusually dry and the first good rains in this area occurred last week. Where crops did not germinate evenly some farmers are reseeded the bare spots in fields, and others are now putting in more cover crops in the hope of harvesting green feed should adverse weather prevent the grain from ripening.

Given generous rains throughout the balance of the growing season most farmers will be assured of feed, which is the main item in a mixed farming district such as we have around Didsbury, and it is to be hoped that rain will continue to keep our farm lands saturated.

Mr. H.H. Reimer, a former resident of the Elton district, who moved with his family to Sloan City, B.C., last year, sent the editor of The Pioneer a lovely crate of strawberries last week and the berries arrived in fairly good condition despite the fact that they had been picked two days before shipping. Mr. Reimer apparently is going into the strawberry business on a large scale and his many friends in the Didsbury district wish him every success in his new venture.

## Didsbury Flyers Trim Crossfield

On Tuesday, June 22, the Didsbury Flyers playing on their home diamond ran out easy winners over the Crossfield ladies team by a 30-12 score. Jean Wilson, home on holiday, did the catching for the Flyers and gave a very fine performance. Alice Wood and Marjorie Goetjen were also standouts in the game. Two nurses made their debut in the Didsbury lineup, adding extra strength to the batting power of the locals. Tuesday's game was the fifth win in seven games played to date.

Didsbury lineup—Clara Schneidmiller, Joy Folkman, Jean Wilson, Marjorie Goetjen, Gladys Luft, Jean Krebs, Alice Wood, Pat Price, Wilma Laft, Stanton, Jones.

This week the Flyers have accepted invitations to play at the Lone Pine picnic on Friday, July 1, when they will oppose a team representing Banff at 1:30 p.m. and at 5 p.m. will oppose Millers Combines in a game scheduled at Olds.

## Father of Mrs. P. Schumaker Buried In Calgary June 19

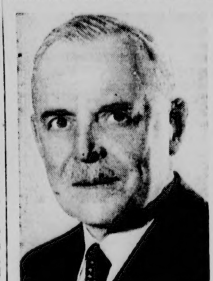

Phillip Benner, 70, of Calgary, died at his home in the city on Sunday, June 19.

He was born at Saratov, Russia, and came to Calgary in 1913. He was employed by the C.P.R. at Olds.

Surviving are his wife, Marie, three sons, John, Harry and Phillip, Calgary; three daughters, Mrs. Schumaker, Didsbury; Mrs. John Cook, Calgary; Mrs. Larry Barry, Calgary; 20 grandchildren, three great grandchildren, and a sister in Calgary.

Services were conducted by Rev. John Leinweber, at Jacques Funeral Home, Calgary, at 11:30 a.m. on Wednesday, June 22, and interment followed in Queen's Park cemetery.

## CANADA'S NEW PRIME MINISTER

HON. L. S. ST. LAURENT

## Local Legion Hears Conference Report

The Didsbury branch of the Canadian Legion held its last monthly meeting of the season in the Lions hall on Thursday evening, June 23 with a good attendance. A report of the ball tournament and dance showed satisfactory financial returns in the interests of the Memorial Community Center. It was decided that this should be made an annual event.

Harry Richardson presented his delegate's report of the Provincial Convention, and received a vote of appreciation for his services. Annual Memorial Sunday was discussed and it was left in the hands of the Padre and the executive to arrange the program for a suitable date, probably in September.

It was decided to hold the chicken dinner on November 11th, as usual.

Murray Anderson was welcomed as a new member of the Legion, and another application for membership was received. Lunch served by the Auxiliary brought a successful meeting to a close.

## Little Items of Local Interest

Mr. M. Weber left Monday for Vancouver and Victoria and expects to be away about a month. While away he will visit at Victoria with his brother, Ephraim.

Miss Winona Rouleau left Monday to visit relatives at Kamloops, Vernon and Kelowna, B.C.

Miss Jean Wilson, nurse-in-training at the University hospital in Edmonton, is holidaying at the home of her parents, Mr. and Mrs. Dorris Wilson.

Mr. and Mrs. Leroy Nichol of Leader, Sask., renewed acquaintances in town last Saturday.

Mr. and Mrs. Tom Noble of Calgary visited over the week end with Mrs. E. Jenkins.

Dick Kimmel left Sunday for a holiday at Chilliwack, B.C.

Mr. and Mrs. Bert Prevost and Dr. and Mrs. J.W. Summers spent the week end at Banff.

Mr. and Mrs. Len Berscht and Judy left Sunday to holiday at Kalispell, Montana, and other U.S. places.

Mr. J. J. Giesbrecht, one of the first settlers east of Didsbury, passed away Monday, June 27, at the Invalid Home at Rosthern, Sask. Funeral services were held at Rosthern on Wednesday, June 29.

Mr. and Mrs. Ed Dahm of Calgary visited Thursday with Mr. and Mrs. Bill Moon Jr.

Payne-Freeman Co. has just installed a Grayco Undercoater, a machine for spraying plastic undercoating film on the body and chassis of cars and trucks to protect them from road wear and the elements of the weather.

Mr. and Mrs. Harvey Burgess expect to leave Thursday on a motor trip to Eastern Canada.

Mrs. Fred Nelson of Calgary spent Sunday in Didsbury with Mr. and Mrs. Bert Provost.

## FRIDAY, JULY 1, A HOLIDAY

Friday, July 1st, is Dominion Day, a public holiday, and all places of business in town will be closed. Plan your purchases accordingly.

## LIBERAL PARTY ELECTS 193 REPRESENTATIVES

The Liberal party was returned to power with a greatly increased majority in the federal elections held on Monday, June 27, and with such a substantial majority in the House of Commons will be able to carry out its policy with only token opposition. This in a few words sums up the election results with the following summary of candidates declared elected up to press time on Tuesday:

Liberals	193
Progressive Conservatives	42
C.C.F.	12
Social Credit	10
Independent	1
Independent Liberal	1
TOTAL	262

Mrs. Sidney Fox is leaving on Wednesday for Juneau, Alaska, to visit her daughter, Miss Elaine Brunwell, during the month of July.

## MELVIN NOTES

Mr. and Mrs. Carl Sanderman of Mesa, Arizona, arrived Friday at the home of Mr. Sanderman's sister, Mrs. V. Wollen. They expect to visit other relatives and friends also during their holiday in Alberta.

Mr. and Mrs. Leonard Sanderman and family and Mr. and Mrs. Gerald Sanderman of Three Hills were Sunday guests at the Wollen home.

Mr. and Mrs. Herman Wollen and Wendy of Calgary visited a few days last week with Herman's parents, and on Wednesday Donnie Wollen returned to Calgary with his brother, Mrs. H. Wollen stayed and attended the nurse's camp in Calgary last week end.

Mr. Fred Sanderman was admitted to the Didsbury hospital Monday night and will remain there for several days for a medical checkup.

Allan Chandler of Stettler spent the week end at the home of his parents, Mr. and Mrs. Lloyd Chandler.

Congratulations to Mr. and Mrs. Doug Lundeen—it's another girl, Wendy Zoe.

On Thursday evening Mrs. E. Martin conducted a Weaners' Brush demonstration at the home of Mrs. A. Schneidmiller. Twenty-two ladies were present and the contest prizes were won by Mrs. C. Ekstrand and Mrs. P. McNeil. The door prize went to Mrs. H. Levagood. At the close of the evening lunch was served by the hostess.

Mr. and Mrs. Lester Krebs accompanied by Mr. and Mrs. Allen Krebs left Wednesday for the west coast for a two weeks' visit with relatives and friends.

Mr. and Mrs. Alvie Cowitz of Calgary spent the week end visiting relatives in the district.

Mr. Jack Weidner, who has been staying at Allen Krebs' during his absence, has been taken ill, and we all wish him a speedy recovery.

## Crow and Magpie Contest Closes Thursday, June 30

Mr. E. B. Grange, chairman of the predator control campaign of the Didsbury Fish and Game Association has announced that unless some last-minute change is made in provincial regulations, the crow and magpie campaign will definitely close on Thursday evening, June 30, and after that date no payment can be made on feet entered in competitions.

This year the local association has handled more crows and magpies feet than ever before and a final report will be made next week.

To date the five boys competing for local prizes have brought in the following number of crow and magpie feet: Mr. Grange, 10; John Smithwood 761; Bernie Fullen 702; Ken Holmquist 290; Leslie Goetjen 289; Laverne Neufeld 262.

## New Business Opens in Didsbury

William Moench, proprietor of Carstairs Electric, has opened up a new electric and plumbing shop in Didsbury in the building formerly occupied by Central Feed Store, one door north of the Didsbury Jewellery. Mr. Moench has opened Carstairs Electric for the past 34 years. A married man, Mr. Moench will move to Didsbury as soon as accommodation can be found.

Mr. Moench is a qualified electrician and will employ Mr. Basil Flynn of Innisfail, a licensed plumber, to look after the plumbing end of the business. Mr. Flynn is married and has two children.

## Camp Meeting Starts July 7

Didsbury's annual Camp Meeting begins Thursday, July 7, with Rev. Quentin Everest of South Bend, Indiana, as evangelist.

There are a number of attractive features on this year's program including the Daily Vacation Bible School each day from 9:30 a.m. to 12:00 noon, employing the latest methods and material. To those living in town and wishing their children to attend, phone 150, and make arrangements for a car to call for them.

Young People's meetings are being held daily from 1:30 to 2:15 p.m. under the direction of Mrs. Susan of Cascade College, Portland, Oregon.

On Friday, July 15, a number of missionaries who have recently returned from Africa will tell of the work they are carrying on there.

The United Missionary Church Camp Meeting is being held at the camp grounds at the Bible college and meetings will continue until July 17th.

Everyone is cordially invited to come and enjoy the hospitality of the brethren. Meals will be served free of charge.

## Patients in Didsbury Hospital To be Given Tuberculin Tests

The patients entering the Didsbury Hospital, Didsbury, will in future be given a tuberculin test for the discovery of tuberculosis. It was announced this week by hospital officials.

This service is provided free by the Alberta Tuberculosis Association, financed by the annual Christmas Seal Sale, and the hospital is co-operating by administering the tests and keeping the records and also by undertaking to give a chest X-ray to all the positive reactors, at a cost of only 2 dollars to the patient.

The tuberculin test doesn't indicate that a person has tuberculosis. It merely shows whether or not he has ever picked up even a slight infection. Most people who react to the tuberculin test never develop tuberculosis. The test is given in an extremely simple way, namely a small patch very much like a band aid with a small

suture of gauze which holds tuberculin under the skin. The tuberculin is absorbed into the body, a small red mark will appear.

30 Alberta hospitals are now participating in this T.B. screening program. This is a number of formerly unsuspected cases of tuberculosis have been discovered by means of the X-ray examination. In addition to the tuberculin test, this examination frequently detects non-tuberculous, but equally serious conditions.

### EAST NEWS

Attention! Ladies of the Lone Pine W.L.—The meeting will be held at the home of Mrs. Harry Richardson on Tuesday, July 5, instead of July 6 because of Miss Claire Wood's wedding. Please remember to bring your roll call answers.

Mr. and Mrs. Alfie Thompson accompanied Mr. and Mrs. P. Schumaker to Calgary last Wednesday to attend the funeral of the late Phillip Benner, father of Mrs. Schumaker.

Mr. and Mrs. Walter McCulloch spent Sunday at the home of Mr. and Mrs. Howard Pross.

Mr. and Mrs. P. Neufeld and family and about twelve of Mrs. Schumaker's relatives visited Sunday at the latter's home.

Well attended services have been held at Lone Pine hall by the Evangelical church for the past week.

Don't forget the picnic and dance at Lone Pine hall on July 1.

Leslie Schumaker and other friends were visitors at Bonness on Sunday, travelling by car.

### WEST NOTES

Mr. and Mrs. O. Thompson, Mrs. O. Krebs and family, and Mr. and Mrs. Alfred Cowitz and family were Banff visitors on Sunday.

Mrs. E.W. Lowrie visited with Mrs. A.L. Hogg on Monday.

Mr. and Mrs. Vic Schneidmiller left Monday to accompany the former's parents on a trip to New York.

The next meeting of the Elkton Willing Workers will be held at the home of Mrs. P. Luft, when blocks will be cut for a quilt to be made later. Members, please bring your scissors.

Mr. and Mrs. Adam Luft of Calgary visited in the district this past week.

Mr. and Mrs. Wilfred Befus, newlyweds, visited with Mr. and Mrs. Gordon Befus on Saturday.

Mr. and Mrs. A.L. Hogg left Tuesday for an extended visit to the west coast.

Mr. and Mrs. R. Befus were Calgary visitors over the week end.

Mr. and Mrs. L. Krebs and their guest, Mrs. H. Anderson, spent last Thursday in Calgary.

### WESTERDALE NOTES

Miss Ruby Ferris of Red Deer was a week end visitor at the home of Mr. and Mrs. R. Jackson. Also visiting at the Jackson home is Miss Ferris' mother, Mrs. J.W. Ferris of Oxbow, Saskatchewan.

Westerdale hall team tallied the first win of the season last Wednesday afternoon when they defeated Hainstock hall team 16-10. Hifferest play the local boys on the home diamond this Wednesday, and Elkton are the visitors on Saturday afternoon.

Welcome rain fell in the district Saturday evening and continued until Sunday morning, bringing relief to withering crops and gardens which are very back ward due to insufficient moisture and June frost.

In Manitoba, in 1947, over 23,000,000 acres of land were devoted to commercial growing of sunflowers. Oil from its seed tanks close to olive oil in texture and color; the rest of the plant has many industrial applications.

The lowest or any tender not necessarily accepted.

Tenders to close 12:00 noon, Saturday, July 16, 1949.

S. J. GILSON, Sec. Treas., Olds School Division No. 31, Didsbury, Alta.

### PROGRESS ON ACE ELECTRONIC BRAIN

The latest techniques in the development of the Ace, the British Electronic "Brain," were shown to the public recently at the National Physical Laboratory at Teddington. This high-speed computing machine is claimed to be 1,000 times faster than any other calculating machine yet constructed. It contains numbers up to thousands of millions represented as a sequence of powers of two. The digits are translated into electrical pulses about one-third of one-millionth of a second in length and about one-millionth of a second apart.

FOR SALE—1947 Chevrolet 1½ ton truck with stock rack. In good condition. Phone R305, Carstairs, Alberta. 24-3p

ORDER YOUR COUNTER CHECK BOOKS from the Didsbury Pioneer. Competitive prices.

**NOTICE**  
Will the person or persons who removed the used telephone poles from the road allowance one mile south of the blind line, west of Didsbury, contact the secretary or one of the directors and avoid further trouble.

### PUBLIC MEETING

The Mountain View Women's Institute announces a public meeting at the Mountain View Hall on Tuesday, July 5, at 8:15 p.m. for the purpose of electing a board of directors to carry on the business of the hall. All interested are urged to attend. 2t

### WARNING

It is against health regulations to deposit dead animals, poultry, etc. at the local nuisance ground. These should be taken elsewhere and buried.

### TOWN OF DIDSBURY

### WARNING RE: BICYCLE RIDING ON TOWN SIDEWALKS

Boys and girls are warned that if they are apprehended while riding their bicycles on the sidewalks of Didsbury that they will be prosecuted according to Town by-laws, and that their bicycles will be impounded for an indefinite period.

Parents are reminded that they may be held responsible for their children's actions and it is their duty to see that they conform to Town by-laws.

### TOWN OF DIDSBURY W. B. DOBBIN, Const.

### CARD OF THANKS

I wish to thank the ladies who helped with the reception at the church, the minister, Rev. Bainbridge, and the ladies who supplied flowers for decorating the church.

MRS. MARVEL SULLIVAN

### CARD OF THANKS

I wish to thank the Lone Pine Hall Board and the ladies who helped with the supper at Jean and Doug's wedding dance.

## BABY'S SUNBATHING

Judicious amounts of July sunlight are fine for the baby, but during his sunbaths the infant's eyes should be protected from the direct rays of the sun until he can move himself about easily. Placing him with his feet pointing away from the sun permits his brows and under lids to shield his eyes. The hood of the carriage should be lined with dull material, preferably dark.

## PAINTING POINTERS

Painting is often a hazardous occupation, as anyone who has seen painters suspended high in the air on a bridge or building can attest. But another danger to painters is toxic vapors that frequently rise from lead paints in confined spaces. Spray painting is especially dangerous in this regard and painters should always be equipped with suitable safety devices. Provincial health departments can supply information on safe painting practices in industry.

## WEDDINGS

## JANZEN-GIBBS

On Wednesday, June 15, the spacious lawn of Mr. and Mrs. Clifford Gibbs of Inverness was the scene of a very pretty wedding when their only daughter, Joanne Patricia, became the bride of Mr. Stanley Leroy Janzen, son of Mr. and Mrs. Peter Janzen of Didsbury. Rev. J.W. Bainbridge performed the ceremony and Miss Gwen Clarke played the wedding music.

The bride, given in marriage by her father, was given in a floor-length dress of silk voile with lace insertion. She wore a matching veil and carried a bouquet of red roses. Her only attendant was a string of pearls.

Miss Velma Janzen, sister of the groom, was bridesmaid and she wore a dress of pink taffeta with matching headress and carried a bouquet of pink carnations.

Mr. Kenneth Janzen, cousin of the groom, was best man. The bride's mother chose for the occasion a figured pastel jersey dress with hat to match, while the groom's mother chose a pearl grey dress with hat to match.

During the signing of the register Mrs. Teynor sang "At Dawning". A reception for fifty guests followed. Ernest Clarke proposed the case to the bride, to which the groom very ably responded.

Mr. and Mrs. Janzen, amid showers of confetti, left for a short honeymoon in the mountains. For travelling the bride chose a black and white check suit with red accessories, complemented by a corsage of red roses.

Out of town guests at the wedding were Mrs. Laura A. Gush of Calgary, Mr. and Mrs. Freeman Harvey of Edmonton, and Mr. and Mrs. Rudolph Weltz of Olds.

The happy couple will reside in Didsbury.

## Production 25 Per Cent Above Pre-war Figures

Production in United Kingdom industry and agriculture is now 25 per cent above the pre-war level according to official figures recently released. This remarkable rise in output is due not to longer working hours—the average working week is indeed some one and one-half hours shorter than in 1938—but to a sharp decline in unemployment and above all to increased productivity.

## MENTAL MECHANISMS

Nobody expects a man suffering from tuberculosis to cure himself. But many people expect a person suffering from mental illness to "snap out of it" alone. Canadians should realize that mental illness is just as real as physical sickness and that competent medical care is necessary to restore the patient to health. Mental illness is a disease, not a disgrace.

## CHECK UP NOW

Medical experts estimate that as many as 3,000 lives each year might be saved from cancer by early diagnosis and treatment. The doctors emphasize that many types of cancer can be cured if they are discovered early. Don't let fear prevent you from seeking qualified medical advice if you have reason to suspect you might be suffering from cancer. Only a qualified physician can help you defeat cancer. Avoid quacks and fakes. Your life may depend on it.

## T B CAN BE CURED

Medical records show that nine out of ten persons suffering from tuberculosis, whose infections have been discovered early, recover from the disease. And some experts estimate that if all cases of TB could be caught in their early stages, the disease could be wiped out completely in 50 years. TB is slow to cure but it is curable and it is preventable. Guard against the danger of TB. Have a chest X-ray as soon as possible.

## NEW DRUG WILL INCREASE MILK YIELD

A new drug which can increase the milk yield of dairy cows is announced by scientists of the Dairy Research Institute, Reading, England. A few tasteless tablets of the drug—L. Threonine—have they claim, raised the average yield of each test cow by nearly five pints a day.

## YOUR GOOD TASTE

At this season of the year green and leafy vegetables are available and wise housewives take advantage of these excellent, health-giving foods. They form a welcome contrast with the tinned or frozen foods most of us use during the winter months. Make sure you take advantage of the fine selection of vegetables now available. Your table will reflect your good taste.

## WARNER BROS. ADVENTURE FILM IN TECHNICOLOR "FIGHTER SQUADRON"

Thrills and excitement zooming across the screen, accent Warner Bros. new technicolor production, "Fighter Squadron," starring Edmond O'Brien, Robert Stack and John Rodney, which comes to the Didsbury Opera Theatre next Thursday, Friday and Saturday, June 30, July 1 and 2, as a special attraction.

This magnificent thrill-packed film is done in the exciting tempo of "Destination Tokyo." "Objective Bureau," "Action In The North Atlantic," "Air Force," and other outstanding action films which have carried the Warner banner. Through the added magic of technicolor, "Fighter Squadron" assumes the role of an action film. This is the powerful saga of the Army Air Force struggle for supremacy in the air over Europe in the months before D-Day. Seton I. Miller, who produced and wrote this stunning action film, conducted extensive research in Hollywood and in Washington, before sifting the material down to a dramatic treatment. It is considered one of the finest scripts ever turned out in Hollywood.

A veteran in the Hollywood frame, Miller scripted both of the famous "Dawn Patrol" films, and other Warner credits including "The Galabard," "Adventures of Robin Hood," "Valley of the Giants" and "The Sea Hawk," all winners. Real Walsh, famed far and wide for "What Price Glory" and "They Died With Their Boots On," "Oh, Lady Be Good" and "Silver River," directed "Fighter Squadron."

## EXPLORATION IN B. C.

A small United Kingdom expedition which intends to explore a little known part of British Columbia during the next four months, has arrived in Canada. The party of four, led by Captain C.H. Polhammar, will establish a base camp between the Sifton Pass and the headwaters of the Skikine River, 300 miles north of Fort St. James and carry out plant collecting, map-making and mountaineering. Geological, meteorological and zoological studies will also be undertaken. Backing for the expedition comes from the Royal Horticulture Society, the British Museum, and the Royal Botanic Gardens at Kew and Edinburgh. A comprehensive series of colour photographs will be taken to help their work.

Love the land you live in, or go live in the land you love.

## HERE'S THE Harvest DODGE

THE ALL-METAL  
ALL-PURPOSE  
SUBURBAN

The farmer, suburbanite or merchant find the Dodge All-Metal All-Purpose Suburban ideal for load hauling. With the rear seat folded forward and the tailboard down, there's a carrying space 7 feet 5 inches long and an extreme inside body width of 5 feet. It will do anything a light delivery unit will do—and it's instantly convertible into a six-passenger sedan.

YOU'LL FIND a wide range of uses for this new All-Metal Dodge Suburban.

Open the wide doors and you'll be amazed at the seating capacity, and the space provided for luggage and vacation equipment in this newest Dodge. There's plenty of head, leg and elbow room in both front and rear seats. Its lively 97 hp engine operates with traditional Dodge dependability and economy—gives you ample power for hill climbing and heavy going off the beaten track. Low pressure tires, Safety-Rim wheels, luxury springing and powerful hydraulic brakes, assure you a safe, smooth ride.

With the rear seat folded flat with the floor (an easy one-hand operation) the new Dodge Suburban can "double" as a roomy panel delivery vehicle. You can easily load it with any type of merchandise without a worry—its all-metal interior is hard to damage—the long wearing vinyl fabric upholstery is safely and easily washable.

Inspect this great new addition to the famous Dodge line at your Dodge-DeSoto dealer's showrooms. You'll find it just the car you've always wanted—at a price you are willing to pay.

See the beautiful new Dodge models: the Distinctive DeSoto with "Tip-Toe" gear shift; and the famous, dependable Dodge "Job-Rated" trucks, at—

### NINETEEN CENTS A DAY!

If all the corporate profits, after taxes and dividends, earned by Canadian business in 1948 were sliced up into even shares for every man, woman and child in the country, each individual would get only \$69.08, or a bare 19 cents a day!

This fact was revealed in a study of the appendix to Mr. Douglas Abbott's budget and this single item is in itself a key to a wide horizon of economic understanding.

Many people continue to argue that national income should be more evenly distributed, but let's face the rock-hard facts. An additional income of 19 cents a day for those in low income brackets would hardly come under the heading of equalitarian solutions. The only effect of this distribution would be to drain the dynamic strength of a system which has continued to thrive with the passage of time.

These corporate profits, or the hope of them, have forced manufacturers and businessmen to avoid loss like a plague, and where loss has been successfully avoided, have resulted in plant expansion and increased industrialization, mass production and the continued conversion of natural resources into more and more goods and services, all of which have added up to a standard of living for Canadians comparable to that in existence south of our international border and unmatched in the rest of the world.

Despite our good living standards, however, the public has come to eat of the lotus of socialism and to challenge the free economy system. If the system is to enjoy further acceptance, it must meet two conditions. One is that profits be the reward for competitive efficiency, not monopolistic restriction. The other is that opportunities for individuals to become business proprietors and thus to make profits themselves be kept wide open. Some Canadians feel that quite often these conditions are not sufficiently met.

To get back to the pipe dream about distributing undistributed corporate profits, however, it has been proven over many decades in Canada that many ways have been found to improve the living standard, but division of profits was not one of them. If such a plan were forced through to fruition, Canadians would get the magnificent sum of 19 cents a day extra to rattle in their pockets, but not for long.

An era of unparalleled industrial growth, based on the common sense profit motive, would come rapidly to an end, and with the birth of a 100 per cent share-the-profit economy, so would efficiency and incentive, and, last but not least, the aforementioned 19 cents!

### WORLD SCARCITY OF WHALES

Fishing for whales throughout the world is to be more strictly regulated. This was the main subject discussed at the International Whaling Commission which met in London recently. The Commission was set up three years ago to

coordinate scientific research on whales. Reports from many parts of the world have been received indicating that stocks of this animal are becoming dangerously low. The Commission is therefore seeking to avert a possible threat of extinction through overfishing.

### QUICK DEATH TO INSECT PESTS

**STANCO LIVESTOCK SPRAY** and 25% Imperial DDT are economical and effective. With these sprays you can end the losses caused by flies and other insect pests.

**STANCO** is a repellent spray ready to use. Just fill your sprayer and you can treat your cattle, horses and hogs to comfortable days and restful nights. No more terrorizing by flies, no more stampeding. Stanco gives 24-hour protection, is non-injurious to your livestock and does not stain. It more than pays for itself by cutting down milk and flesh losses caused by insect pests.

**25% IMPERIAL DDT CONCENTRATE** kills flies on contact. It is ideal for use in stables, dairy barns, hog pens and poultry houses. Sprayed on walls and ceilings it ends the fly problem, the menace to health and production. It's economical to use, too. For power spraying you only use 1 part concentrate to 125 parts water, or about 2½ table-spoons in a gallon. For hand spraying you double the strength. For walls and ceilings, a gallon of concentrate makes 5 gallons of spray. It does not stain and is sure death to every fly and insect that lights on it.

See your  
IMPERIAL OIL AGENT

### Mrs. C. Lynch-Staunton Laid To Rest

Funeral services for the late Mrs. Charles F. Lynch-Staunton were held from St. Michael's Church on Friday, June 10th. Requiem High Mass was celebrated by Rev. Fr. Tardif, O.M.I. A large gathering of sympathizing friends attended to show their respect.

Interment was in St. Michael's cemetery.

The pallbearers were Messrs. A. N. Cox, C.N. Milvain, T. Heap, R. Connelly, Frank Lynch-Staunton, and John Lynch-Staunton.

The deceased was born in Caledonia, Ont., and received her education in Hamilton, Ont., and with her parents and family came west about 1904.

After her marriage to Mr. Charles F. Lynch-Staunton they resided in the Lunenburg and Maycroft district until the death of her husband in 1939 when Mrs. Staunton purchased a home and resided in town. During the winter the deceased had not been in her usual good health, but would not have medical advice believing she had a prolonged siege of the "flu."

Following an operation in Calgary she went to Didsbury to be with her son and daughter-in-law. Her death occurred in the Didsbury hospital on June 7th.

Mrs. Emma Lynch-Staunton was well known throughout Southern Alberta and far and wide through her work as Southern Director of District 4 of the Women's Institute. Conference President of the local district and her own W.I. She personally compiled a thorough history of the early days and settlers of Southern Alberta for the W.I.'s which has been used by others for historical records. Her clever intellect and versatile pen were ever ready and willing to be used for others. She was a member of the Southern Alberta Writers' Club, keenly interested in Red Cross activities and a faithful member of her church. Although of a retired disposition she was always ready with a helping hand and her quiet smile and fond personality will long be remembered.

Deep sympathy is felt for the

### NAPOLEON MAY HAVE STARTED IT

The canning industry would probably have arrived without Napoleon, says Miss Edith Elliot, Consumer Section, Dominion Dept. of Agriculture, but it's safe to say that he hurried it along. Originator of the military dictum that "an army marches on its stomach," he offered 12,000 francs to any Frenchman who could discover a method of preserving food for his fighting men. A partial answer came in 1809 when Nicholas Appert succeeding in preserving food by cooking and packing in glass bottles with tightly driven corks. These bottles were breakable and heavy, and to a large extent were unsuitable for the rough and tumble of the battlefield.

Years later another Frenchman, Peter Durand, obtained a permit for making a tin-plated canister for packing food products. But later, when one Thomas Kenneth applied for a patent for these tin cans in the United States, it was not granted, as the authorities considered it a joke. In 1860, however, the manufacture by hand of tin cans began in the United States. In 1878 the first Canadian canning factory was established at Grimby, Ontario.

Machine made cans were soon used, but the tops were soldered on. In 1910 soldering was dispensed with and the modern type of steel can adopted. These are made of steel with a coating of pure tin. Special enamel-lined tins are used where any discoloration of the contents might occur, or chemical action corrode the inner surface of the can.

Today, can and contents must live up to the exacting specifications laid down by Government to protect the health, and also the pocket, of the consumer.

surviving family— one son, Mr. H. Lynch-Staunton of Didsbury; three sisters, Mrs. T.J. Moore of Calgary, Mrs. H. Laviole of Toronto and Mrs. Annie Dionne of Rouyn Quebec; and one brother Mr. Miles Boyce of Calgary.

## DIPLOMA COURSE IN DAIRYING

Application forms for the 1949-50 Diploma Course in Dairying are now available and can be obtained from the Department of Dairying, University of Alberta. This course is offered jointly by the Department of Dairying, the Dairy Branch of the Alberta Department of Agriculture, the Canadian Vocational Training, and will be held at the University of Alberta from October 31 to April 22, 1950. Applicants must be between the age of 18 and 30 and must have a minimum of grade nine school standing or its equivalent.

Registration is limited to twenty students but may be offered for a minimum registration of ten. Selection of eligible applicants will be on the basis of academic credits, experience and order of receipt of application. No fees are required for the course and those attending will receive some assistance in the form of subsistence allowances and transportation.

Application forms and full information with respect to the Diploma Course in Dairying may be obtained from the Department of Dairying, University of Alberta.

## A CLEAN CAPE

"Eating out" is a popular pastime with many Canadian families and the restaurant industry has grown tremendously in recent years to cater to the needs of those who "eat out" for business or pleasure. Restaurant patrons are entitled to good food and service. They should insist on cleanliness and patronize those restaurants which follow the rules of good sanitation. You expect dishes and utensils to be clean at home. Insist on the same cleanliness when you take your meals in a restaurant.

## DON'T WASTE HAY

With indications of short hay crops in many Alberta districts, farmers who are faced with a shortage are urged to use present reserves with care and to make every effort to build up an adequate supply for the coming winter. Those more fortunately situated are advised not to allow a single acre of forage suitable for hay to remain unused this year.

Cut all the hay you can, urges A.M. Wilson, Field Crops Commissioner, Alberta Department of Agriculture. Those that have more hay than they intend to harvest or those who lack adequate equipment should make every effort to have it put up on a custom basis or on a share basis by somebody who can make good use of it.

Better to have a surplus than a shortage. Reserves built up last year by many Alberta farmers were used to good purpose this spring in areas where inadequate pasture growth made prolonged feeding necessary. Farmers throughout the province are urged to build up all the feed reserves possible. There is still time to supplement hay and pasture crops by late seeding of oats for winter feed.

## UNITED CHURCH SERVICES

Sunday services at the United Church will be held as follows: Westcott, 11 a.m.: Morning Worship followed by Sunday school. There will be no service at Westdale.

Didsbury, 7:45 p.m.: Evening Worship.

Minister: Rev. J.W. Bainbridge, M.A., B.D.

## FOOD AND A HUNGARY WORLD

(By H.G.L. Strange)

During the past few months numbers of articles have been published by thoughtful periodicals the world over, and many books and pamphlets have been issued, which discuss the matter of the future food supply for the world. Some writer contended that the Rev. Mr. Malтус was correct when 150 years ago he forecast that the population of the world was increasing faster than the supply of food. Others maintain that science is helping the farmer to bring into production new acreages and to increase yield per acre so that food production will keep pace with the annual increase in population.

For my own part I think Malтус was right, for it seems to me from all I can find out that there is little new acreage in the world to be brought into production and that while science is increasing yield per acre, yet this is going on quite slowly, and that both new acreage and increase in production together are not at the present time keeping pace with the increase of population of 22 additional mouths to be fed each year. If correct this means that the price of such products as wheat and coarse grains should tend gradually to rise, excepting of course in odd years of unexpected world-wide abundant crops.

## A PUFF OF SMOKE

Many people frequently use gasoline or lighter fluid to remove spots from clothing or as a general cleanser for machinery. But gasoline is one of the most dangerous fluids that can be used around the home. It evaporates readily and the poisonous gas it emits explodes easily. It is a fire hazard of the first order. Other less volatile cleaning agents are frequently much safer and more effective. Commonsense health and safety habits save lives. Don't take needless risks. The life you save may be your own.

The Didsbury Local F.U.A. will hold a meeting Saturday, July 2, at 2 p.m. at the Pool elevator.

## EVANGELICAL CHURCH

Carstairs and Miss Helen Christen-  
son of Edmonton visited Wednes-  
day evening with Mr. and Mrs.  
Harold Shultz.Mrs. Hedegaard is carrying on  
meetings at Hoadley this week.**FALLEN TIMBER**Mr. Archie McMullen, who is at-  
tending school in Calgary, spent  
a few days at home recently.Mr. G. Hone and Mr. H. Steen  
have been making regular trips to  
a nerve specialist at Olds.Mr. and Mrs. J.H. Cooper, Glenn,  
James and Keith, Mr. and Mrs.  
C.B. Moore and Garry, Mr. and Mrs.  
J.A. Howton and Darryl, and Mr.  
H. Howton took a sight seeing trip  
west to the forest reserve recently.Mr. and Mrs. J. McGaffin and  
family and Mr. Mark Sweet at-  
tended the Sundre stampede.Also attending the stampede at  
Sundre were Mr. and Mrs. J. A.  
Howton and Darryl, and Mr. and  
Mrs. G. Admussen and Elaine.Mr. and Mrs. E. Hayes, Gordon,  
Mrs. Francis Webb and Joyce were  
Didsbury visitors Saturday.The regular church service was  
held Sunday, June 19, under the  
direction of Rev. C. and Rev. R.  
Moore, with 50 present. Everyone  
is cordially invited to the next  
service on July 3.Mrs. R. Cooper of Foremost, Al-  
berta, is visiting her son and  
daughter-in-law, Mr. and Mrs. J.  
H. Cooper, and family.Mr. and Mrs. L. Cousins are  
staying at the Hayes home for a  
time.Mr. and Mrs. L. Barnes and  
children have returned to Saskat-  
chewan for a short time, where  
they report that there has been  
some rain in their district and  
there will be a crop if the grass-  
hoppers don't get it first. They  
say the hoppers are the biggest  
they have ever seen.Mr. Dick Wannamaker is spend-  
ing a few days around Edmonton.The ladies of the district gath-  
ered at the home of Mrs. Bill Dick  
recently to prepare the articles for  
the bazaar which will be held the  
day of the picnic. They report that  
there is a nice group of things to  
be sold.The annual school picnic will be  
held on Wednesday, June 29.  
Everybody is welcome to attend.  
Some much needed work is be-  
ing done on the road going north  
past the school.We are sorry to hear the Mr. H.  
Johnson met with an accident  
while sawing. We were very glad  
to hear that he only suffered  
ruless in a mishap which could  
have been very serious.Mr. C.B. Moore has had some  
rush out on his place in Big  
Prairie by the Boules.We notice that Mr. Dean Stair  
has a nice little field cleared and  
seeded. Good work, Mr. Stair.We were glad to see Mr. and  
Mrs. Joe Teynor back in the dis-  
trict recently.Mr. and Mrs. Hamill were seen  
driving around the district a week  
ago Sunday.**CREMONA NOTES**On Tuesday evening, June 21,  
about 20 guests gathered at the  
home of Miss Shirley Frizzell to  
honor Miss Gert Wolfe, bride-  
elect of August. The shower, spon-  
sored by the Cremona High school  
girls, was held on the lawn. Miss  
Wolfe sat in an armchair under a  
huge pink bell with pink and  
white streamers.The evening's entertainment  
commenced with each couple mak-  
ing a "bride's book," all of which  
proved very amusing. The gifts  
were presented to Miss Wolfe in a  
beautifully decorated box in the  
shape of a wishing well. Mrs. G.  
Ford assisted in unwrapping the  
gifts.The evening closed with a deli-  
cious lunch served by Miss Friz-  
zell and assisted by a few of the  
girls.Mr. J. Lister and Tracy of Crai-  
gville and Mr. R. Moulding and  
Jack of Calgary renewed old  
acquaintances in Cremona Sun-  
day last.Miss Jane Wardrop of Didsbury  
spent the past few days visiting  
with Mr. and Mrs. P. Maynes and  
Mr. and Mrs. C. Waterstreet.Mr. Marvin Hettiger visited  
over the week end with Mr. Frank  
Bales of Carstairs.Mr. and Mrs. G. Camps, Mr. and  
Mrs. J. Camps and Miss Marianne  
Sutherland were Sunday dinner  
guests at the home of Mr. and Mrs.  
N. Hingly.Best wishes for a speedy recov-  
ery to Mrs. W. Papke who is suf-  
fering from a broken ankle.Mr. and Mrs. P. Maynes and  
Dorothy were Calgary visitors over  
the week end.Mr. and Mrs. H. Russell and  
Keith of Elkton were Saturday  
visitors at the home of Mr. and  
Mrs. C. Waterstreet.Mr. and Mrs. M. Turnbull were  
Sunday guests at the home of Mr.  
and Mrs. A. McLennan.**BURNSIDE NOTES**We have had the first real rain  
in the district in eleven months  
but it came too late to save the  
crops, although we may get green  
feed now.Mr. and Mrs. Walter McCulloch  
were dinner guests Sunday with  
Mr. and Mrs. Howard Pross.The A.M.A. has erected road  
signs at the Neapolis corner, giv-

ing directions to travellers.

Mr. and Mrs. Noble of Calgary  
were visiting in the district Sun-  
day.The gang of men who have been  
cutting brush all week along the  
mail route are now moving the  
telephone poles back so that the  
municipal road outfit can high  
grade the road.McCulloch Brothers' trucks have  
been busy this week shipping out  
a number of their cattle to market.

Mr. and Mrs. Ray Morris and family of Huntsville, Ont., arrived in Didsbury on Tuesday, June 21, and will visit at the home of the former's brother, Mr. Tom Morris, for the next month. While here Mr. and Mrs. Ray Morris hope to attend the Calgary Stampede.

Mr. Wilfred Morris of Edmonton spent the week end in Didsbury visiting his brothers, Ray and Tom, and families.

Trev Evans, Chuck Newton and Muriel Devolin of the Builders' Hardware staff in Didsbury, attended a staff picnic of Builders' Hardware employees at Sylvan Lake on Sunday and report a large turn out and an enjoyable day.

Mr. and Mrs. Robert Rateliff and Mr. and Mrs. Lloyd Dunbar visited at the home of Mr. and Mrs. Ed Eanton during the week, on their way home to Edmonton from a holiday spent in the States.

Mrs. R. E. McDonald and daughter, Lynda, returned with her parents, Mr. and Mrs. J. Topley, and will visit here and at other Alberta places before returning to her home in Vancouver.

Bill Shaw recently enjoyed a trip to Westlock, Alberta, when he trucked a load of furniture to the northern Alberta town for Mrs. G. Nelson. He reports having a good trip and says the crops there are no farther advanced than here. He also says Westlock is not the wilderness he thought as there are some very nice farms to be seen in the district, but it is very dry.

Mr. and Mrs. Wm. Taylor, Mr. Art Collinge and Miss Lucille Collinge have returned home after a two weeks' vacation through the States and to Vancouver. They enjoyed good weather as well as beautiful scenery, gardens, etc. While in Vancouver Lucille and Art visited with Mr. and Mrs. Orde of Burnaby, Mr. and Mrs. L. Holmes and family, Mr. and Mrs. Erven Rodney of Ladner, all late residents of Didsbury, who wish to be remembered to their many friends back home.

Three showers were recently held at Calgary, Carstairs and Didsbury for Maryleona Wood. At each she received many lovely and useful gifts. Mary, in appreciation, thanked her friends for their kindness in showering her with so many beautiful presents, all of which she will remember and enjoy using in her future home. Confections were given, after which refreshments were served to the guests.
